VUMERITY®
(diroximel fumarate)

Eligible Commercially Insured Patients Could Pay As Little As $0 for VUMERITY Through the Biogen Copay Program[a]

74% of people taking VUMERITY pay $0 compared with only 18% of those taking a generic dimethyl fumarate[1,b]

Biogen is committed to helping make treatment with VUMERITY affordable for your patients

No income requirements:
Your eligible patients can enroll in the **Biogen Copay Program**, regardless of income

No time limit:
Once enrolled, your eligible patients can stay in the **Biogen Copay Program** as long as they meet the requirements listed below

Financial and Insurance Assistance

When cost may be a concern for your patients, Biogen may be able to help them start and continue on a Biogen therapy. **Biogen Support Services** offers a variety of different financial and insurance resources, including:

Communicating with insurance companies to clarify and confirm coverage, including assistance with the Prior Authorization process and denied claims

Insurance counseling that educates uninsured and underinsured patients on government insurance programs

Financial assistance options, including the **Biogen Copay Program**

Please have your patients contact **Biogen Support Services** at **1-800-456-2255**, Monday through Friday, 8:30 AM to 8 PM ET, to learn more and determine if they are eligible.

[a]Biogen Copay Program details and eligibility:
- With the Biogen Copay Program, commercially insured patients may lower their out-of-pocket costs
- There is an annual cap on the amount of assistance that patients can receive over a 1-year period
- Federal and state laws and other factors may prevent or otherwise restrict eligibility. People covered by Medicare, Medicaid, the US Department of Veterans Affairs/Department of Defense, or any other federal plans are not eligible to enroll
- Patients are eligible to enroll in the Biogen Copay Program for as long as it is offered and they are treated with VUMERITY

[b]As of Q3 2022.
